### FINDING OURSELVES WITH GOD

Lord, we often find ourselves alone and praying. We ask the Holy Spirit to come as our Savior to be our friend in times of distress. The shame we feel from our sins' knowing Jesus died for us to save us from destruction but yet we still sin over and over again. We struggle with the guilt every day for we are lost in this world. Understanding Gods love will help us and guide us in what we have in this life and for the eternal life we seek. A man is nobody 'without forgiveness for we live on borrowed time. The body is only flesh and bones and will decay slowly away because one day our Spirit will leave to meet our creator for death is only a part of living. On this day we hope to receive our angel wings to fly and be with our Lord in Heaven enjoying eternal life. We pray to you our Lord, God to give us peace and happiness for our pain and suffering on earth is only temporary. We know that if we follow you Jesus Christ as our true shepherd we will find our salvation of eternal love and happiness. We believe that one day you will be resurrected to come judge the living and the dead

NOTICE OF POTENTIAL CRIME VICTIMS' RIGHTS

This Notice is intended to identify possible victims of federal crimes that the United States government alleges were committed by Aghorn Operating, Inc. (Aghorn); Aghorn's Vice President, Trent Day; and Kodiak Roustabout, Inc. Please review the "Description of Charges Filed in the United States District Court for the Western District of Texas" and the section titled "Who is a potential victim?" below. If you believe that you might be a victim of the crimes described in this Notice, please visit the website below for further information on your potential rights.

Description of Charges Filed in the United States District Court for the Western District of Texas

The United States charged Aghorn Operating, Inc. (Aghorn), Trent Day, and Kodiak Roustabout, Inc. (Kodiak) with violations of federal law in an indictment filed in the United States District Court for the Western District of Texas on March 3, 2022. On March 6, 2024, a Superseding Indictment was filed. The Superseding Indictment includes alleged violations of the Clean Air Act, the Occupational Safety and Health Act, and the Safe Drinking Water Act as well as obstructing a federal proceeding, making false statements, and conspiracy. You can read the full Superseding Indictment on the U.S. v. Aghorn Operating, Inc. website, available at <https://www.justice.gov/enrd/environmental-crime-victim-assistance> (click the U.S. v. Aghorn Operating, Inc. button).

Aghorn and Trent Day allegedly knowingly caused the release of the extremely hazardous substance hydrogen sulfide, also known as H2S, from the Foster D Waterflood Station (Station), which is located at 2216 W. 49th St. in Odessa. They are also charged with violating their general duty to prevent the accidental release of H2S, by failing to design and maintain a safe facility, to take such steps as are necessary to prevent releases, and to minimize the consequences of accidental releases which do occur. These alleged releases of H2S may have reached individuals and properties surrounding the Station. In addition, the Superseding Indictment alleges additional H2S releases from various locations further described therein. Defendants Aghorn, Trent Day, and Kodiak are also accused of failing to perform and/or falsifying well pressure tests at various well sites throughout the Midland/Odessa area, in violation of the Safe Drinking Water Act.

Please keep in mind that these are just allegations at this point and must be proved, in court, beyond a reasonable doubt. Unless and until that happens, each of the named defendants is presumed to be innocent. This information is provided to advise victims about their rights and is not intended to express or imply any opinion about the defendants' guilt.

Who is a potential victim?

The Crime Victims' Rights Act (CVRA) defines a victim of crime as a person who has been "directly and proximately harmed" as a result of the commission of a federal crime. Under the Victim's Rights and Restitution Act (VRRRA) a victim is a person who has suffered direct physical, emotional or pecuniary (financial) harm as the result of a federal crime. If you believe that you are a potential victim of the crimes described above in the Description of Charges, please visit the U.S. v. Aghorn Operating, Inc. website. Because federal charges have been filed in this case, victims may be entitled to certain rights pursuant to the CVRA and certain assistance pursuant to the VRRRA. Both are more fully detailed on the website.
