### THE DESIRE OF LIFE ON EARTH

Dear Lord, we are men of weakness and desire the best in life. If we fall in a trap of wrong desire then we have lost all sense of dignity and faith. Our true lively hood will lose all worthiness and make our lives on earth unhappy. Beware of the riches of money - use it wisely on family and materials needed to live on this earth. Men have limitations in life and should not cross the line. If we set those limitations to high we are placing ourselves for a downfall in this world with no return. Death is a spirit that comes unexpectedly to take us away from earth. A person needs to see himself or herself in the mirror every morning. Take the time to pray to ask God to come into your heart. Ask him to give you the Holy Spirit to enter your heart. So, we could feel Gods love and pray to desire only Gods will for us on earth. Be strong in your desire for Gods love this will give us eternal life with our heavenly father. (I need God in every single moment of my life, Amen)

## NOTICE OF POTENTIAL CRIME VICTIMS' RIGHTS

This Notice is intended to identify possible victims of federal crimes that the United States government alleges were committed by Aghorn Operating, Inc. (Aghorn); Aghorn's Vice President, Trent Day; and Kodiak Roustabout, Inc. Please review the "Description of Charges Filed in the United States District Court for the Western District of Texas" and the section titled "Who is a potential victim?" below. If you believe that you might be a victim of the crimes described in this Notice, please visit the website below for further information on your potential rights.

### Description of Charges Filed in the United States District Court for the Western District of Texas

The United States charged Aghorn Operating, Inc. (Aghorn), Trent Day, and Kodiak Roustabout, Inc. (Kodiak) with violations of federal law in an indictment filed in the United States District Court for the Western District of Texas on March 3, 2022. On March 6, 2024, a Superseding Indictment was filed. The Superseding Indictment includes alleged violations of the Clean Air Act, the Occupational Safety and Health Act, and the Safe Drinking Water Act as well as obstructing a federal proceeding, making false statements, and conspiracy. You can read the full Superseding Indictment on the U.S. v. Aghorn Operating, Inc. website, available at <https://www.justice.gov/enrd/environmental-crime-victim-assistance> (click the U.S. v. Aghorn Operating, Inc. button).

Aghorn and Trent Day allegedly knowingly caused the release of the extremely hazardous substance hydrogen sulfide, also known as H2S, from the Foster D Waterflood Station (Station), which is located at 2216 W. 49th St. in Odessa. They are also charged with violating their general duty to prevent the accidental release of H2S, by failing to design and maintain a safe facility, to take such steps as are necessary to prevent releases, and to minimize the consequences of accidental releases which do occur. These alleged releases of H2S may have reached individuals and properties surrounding the Station. In addition, the Superseding Indictment alleges additional H2S releases from various locations further described therein. Defendants Aghorn, Trent Day, and Kodiak are also accused of failing to perform and/or falsifying well pressure tests at various well sites throughout the Midland/Odessa area, in violation of the Safe Drinking Water Act.

Please keep in mind that these are just allegations at this point and must be proved, in court, beyond a reasonable doubt. Unless and until that happens, each of the named defendants is presumed to be innocent. This information is provided to advise victims about their rights and is not intended to express or imply any opinion about the defendants' guilt.

### Who is a potential victim?

The Crime Victims' Rights Act (CVRA) defines a victim of crime as a person who has been "directly and proximately harmed" as a result of the commission of a federal crime. Under the Victim's Rights and Restitution Act (VRRRA) a victim is a person who has suffered direct physical, emotional or pecuniary (financial) harm as the result of a federal crime. If you believe that you are a potential victim of the crimes described above in the Description of Charges, please visit the U.S. v. Aghorn Operating, Inc. website. Because federal charges have been filed in this case, victims may be entitled to certain rights pursuant to the CVRA and certain assistance pursuant to the VRRRA. Both are more fully detailed on the website.
