**THE RESPECT OF LIFE**

Lord, those who have been given power over authority on Earth and not judge rightly by the will of our Almighty Lord, will find themselves troubled.

They use their power to justify the sins will be destruction to all souls who do not respect life.

Life begins at conception and Should be respected. Those who do not will pay for the unrightful justice at death.

Life is not easy to travel while on Earth. The mind and body will make the choice to serve God's will. It is up to us how we respect our lives and choose to live by the will of God.

Show your respect for life, show God we love him by respecting what he has written in the Holy Book.

The soul lives on forever but our body does not but before we leave Earth we must repent. Death will not give us another tomorrow

God bless the Unborn Children
