GIVE US TODAY OH, LORD!

Lord, give us today for tomorrow is another day to look forward in receiving your blessings.
God is everything to us, put him first in all things.
Lord, you give us life at conception, you give us our identity, our Families, a life full of love to follow you for you are our Shepherd, and most of all We hope to see heaven to spend our eternal lives with Grace. God is pure love and there is no stopping him. Time could stop still in this world but God has no end. Give us today to express our love for you Guide us with your love and we will go on a mission to spread the love you have for us. We strive ourselves to do all things right evel)*Jiay. Blessed is he who-praises-God tie Faffier, through the offering of God the Son, send the Holy Spirit to keep us free from all sin. We are no one on this earth without you but the love we feel from being in your presence is like no tomorrow. (Do not worry about tomorrow - tomorrow will take care of itself. Sufficient for a day is its own evil.) Matthew 6:34.

USES: The Inogen Portable Oxygen Concentrator provides a high concentration of supplemental oxygen to patients requiring respiratory therapy on a prescriptive basis. It may be used in home, institution, vehicle, and various mobile environments. DO NOT USE if: This device is not intended to be used in any way other than described in the instructions for use. Do not use in gasoline or areas with other oxygen concentrators or oxygen therapy devices. This device is to be used as an oxygen supplement and is not intended to be "life supporting" ONLY use this product if the patient's condition of spontaneous breaths, able to inspire and expire without the use of a machine. The consuming or pulse dose, oxygen delivery technique used by this device is contraindicated in persons whose breathing during normal resting would be labored to trigger the device. Proper device triggering, setup and operation must be confirmed by an experienced clinician or other respiratory professional. Not for pediatric use. Not for use by tracheostomized patients. WARNINGS: The device produces enriched oxygen gas, which accelerates combustion. Do not allow smoking or open flames within 2m (6.5ft) of this device while in use. If you smell or experience a fire, or if the concentrator does not smell or trigger, stop using the device immediately. Do not use the device if you are unable to hear and/or feel the oxygen pulse, consult your equipment provider and/or your physician immediately. If you are unable to communicate, caregivers may require additional monitoring and assistance. The pulse dose system is used to conserve oxygen and reduce the risk of fire and burns. To avoid danger of choking or strangulation hazards, keep cords away from children and pets. ALWAYS TO YOUR HEALTH CARE PROVIDER. The oxygen flow setting must be determined and recorded for each patient individually by the prescriber, including the configuration of the device, its parts, and the accessories. It is the responsibility of the patient to periodically assess the settings of the therapy for effectiveness. The proper placement and positioning of the prongs of the nasal cannula in the nose is critical for oxygen to be delivered.
