**LORD, FREE US FROM SINS**

Lord, Jesus is our savior from all sins. We love him for his sacrifice from over 2,000 years ago. Jesus Christ was born in our word to free us from sin. The sorrow and pain our savior endured is unforgivable. We pray to the Holy Spirit to protect us. We must keep our hearts and souls in Grace so we may be blessed with salvation and enter into the gates of Heaven. We lost Jesus Christ when men did not believe in the Son of God. The almighty Father has promised that one day Jesus will come to judge the living and the dead. This will free us once again from our sins. Our hearts are our eyes that feel the Holy Spirit with blessings and mercy of God on Earth as is will be in Heaven. Gossip is all lies, false testimony is distraction from the truth that Jesus Christ is our savior. The feeling of Grace in our hearts and souls will set us free from all sin. Grace is the love of Jesus has given us and will recognize his faithful servants

## Why you need dental insurance in retirement.

**Medicare doesn't pay for dental care.<sup>1</sup>**

As good as Medicare is, it was never meant to cover everything. If you want protection, you need to purchase individual insurance.

**Early detection can prevent small problems from becoming expensive ones.**

The best way to avoid large dental bills is preventive care. Experts recommend checkups twice a year.

**Previous dental work can wear out.**

Your odds of having a dental problem only go up as you age.<sup>2</sup>

**Treatment is expensive — especially the services people over 50 often need.**

Unexpected bills, like \$190 for a filling, or \$1,213 for a crown<sup>3</sup> can be a real burden, especially if you're on a fixed income.
