Why you need dental insurance in retirement.

Medicare doesn't pay for dental care!
As good as Medicare is, it was never meant to cover everything. If you want protection, you need to purchase individual insurance.

Early detection can prevent small problems from becoming expensive ones.
The best way to avoid large dental bills is preventive care. Experts recommend checkups twice a year.

Previous dental work can wear out.
Your odds of having a dental problem only go up as you age.²

Treatment is expensive — especially the services people over 50 often need.
Unexpected bills, like \$190 for a filling, or \$1,213 for a crown³ can be a real burden, especially if you're on a fixed income.

When you're comparing plans ...

- ▶ Look for coverage that helps pay for major services.
- ▶ Look for coverage with no deductibles.
- ▶ Shop for coverage with no annual maximum on cash benefits.

Simply put – without dental insurance, there may be an important gap in your healthcare coverage.

THE AMERICAN HOLOCAUST

There is, occurring in America today, a mass holocaust of the unborn, which we call abortion. Abortion is another word for massacre. Life begins at conception, therefore we should recognize abortion as the massacre of the innocent. Every day that goes by we seem to be losing "God's Grace," and sooner or later this practice that we so easily tolerate or allow, will lead to the extermination of the American people.

The right to life was granted to every individual by the Almighty, whom we recognize as the "Holy Spirit." Abortion is against God's will. As you vote on the policies that impact the very life of life unborn, keep in mind the word of the Lord: Isaiah 49: 15-16: 15: Can a mother forget her infant, be without tenderness for the child of her womb? Even should she forget I will never forget you. 16: See, upon upon the palms of my hands I have written your name.

Jeremiah Chapter 1 Verse 5
"Before I formed you in the womb, I knew you;
Before you were born, I sanctified you; and I ordained you a prophet to the nations."
Lord, hear our prayers.

God bless the Unborn Children
