**OUR FATHER, GOD, AND THE TEN COMMANDMENTS**

Oh Lord, Long ago we were sent down from the heavens the Ten Commandments and given to Moses to teach us to follow and respect the true laws of God here on Earth.

Many of us will use and bend the laws of God to our convenience.

This is to be deceitful only to satisfy our personal purposes chosen by us sinners. The day we start to disrespect the Ten Commandments is the day we curse our lives and doomed to hell. Our souls will lose the light of Grace with nothing to gain in this world or Heaven. We have a conscience, to make the right decision with the guidance of the Ten Commandments. If not our souls will be covered with darkness of evil. Grace will fall from your heart and soul for going against God's laws. Cherish all that God has given and obey his Ten Commandments for life.

## Why you need dental insurance in retirement.

### Medicare doesn't pay for dental care.<sup>1</sup>

As good as Medicare is, it was never meant to cover everything. If you want protection, you need to purchase individual insurance.

### Early detection can prevent small problems from becoming expensive ones.

The best way to avoid large dental bills is preventive care. Experts recommend checkups twice a year.

### Previous dental work can wear out.

Your odds of having a dental problem only go up as you age.<sup>2</sup>

### Treatment is expensive — especially the services people over 50 often need.

Unexpected bills, like \$190 for a filling, or \$1,213 for a crown<sup>3</sup> can be a real burden, especially if you're on a fixed income.

### When you're comparing plans ...

▶ Look for coverage that helps pay for major services.

▶ Look for coverage with no deductibles.

▶ Shop for coverage with no annual maximum on cash benefits.

Simply put – without dental insurance, there may be an **important gap** in your healthcare coverage.
