WE WOULD APPRECIATE YOUR HELP.

There is some random stealing of the Thrifty Nickels to use our papers for packing and pets. We PAY a lot of money to print and distribute these papers to The Permian Basin and The Concho Valley weekly. We pay our employees good money, We pay taxes just like all the small businesses in town. We need your help and we will gladly reward you for letting us know if you see anyone stealing our papers. A \$500 reward is being offered to get tag numbers so we can file a report and stop this offensive behavior. Due to Dailies not printing papers any more people feel Since our paper is FREE we don't pay to have it printed BUT we do. Please help a small business out by reporting theft. Thank you Thrifty Nickel. 432-333-4184. We have a camera on our office building and we even have people taking all the papers out daily and we have reported these thefts to the proper departments. USES: The Inogen Portable Oxygen Concentrator provides a high concentration of supplemental oxygen to patients requiring respiratory therapy on a prescriptive basis. It may be used in home, institution, vehicle, and various mobile environments. DO NOT USE IF: This device is not intended to be used in any way other than described in the indications for use. Do not use in parallel or series with other oxygen concentrators or oxygen therapy devices. This device is to be used as an oxygen supplement and is not intended to be life sustaining or life supporting. ONLY use this product if the patient is capable of spontaneous breath, able to inhale and exhale without the use of a machine. The conserving, or pulse dose, oxygen delivery technique used by this device is contraindicated in persons whose breathing during normal resting would be unable to trigger the device. Proper device triggering, setup and operation must be confirmed by an experienced clinician or other respiratory professional. Not for pediatric use. Not for use by tracheotomized patients. WARNINGS: The device produces enriched oxygen gas, which accelerates combustion. Do not allow smoking or open flames within 2m (6.56ft) of this device while in use. If you feel ill or uncomfortable, or if the concentrator does not signal an oxygen pulse and you are unable to hear and/or feel the oxygen pulse, consult your equipment provider and/or your physician immediately. If you are unable to communicate discomfort, you may require additional monitoring and or a distributed alarm system to convey the information about the discomfort and or the medical urgency to your responsible caregiver to avoid harm. Use only spare parts recommended by the manufacturer to ensure proper function and to avoid the risk of fire and burns. To avoid danger of choking or strangulation hazard, keep cords away from children and pets. TALK TO YOUR HEALTH CARE PROVIDER: The oxygen flow setting must be determined and recorded for each patient individually by the prescriber, including the configuration of the device, its parts, and the accessories. It is the responsibility of the patient to periodically reassess the setting(s) of the therapy for effectiveness. The proper placement and positioning of the prongs of the nasal cannula in the nose is critical for oxygen to be delivered.

WE WOULD APPRECIATE YOUR HELP. There is some random stealing of the Thrifty Nickels to use our papers for packing and pets. We PAY a lot of money to print and distribute these papers to The Permian Basin and The Concho Valley weekly. We pay our employees good money. We pay taxes just like all the small businesses in town. We need your help and we will gladly reward you for letting us know if you see anyone stealing our papers. A \$500 reward is being offered to get tag numbers so we can file a report and stop this offensive behavior. Due to Dailies not printing papers any more people feel Since our paper is FREE we don't pay to have it printed BUT we do. Please help a small business out by reporting theft. Thank you Thrifty Nickel. 432-333-4184. We have a camera on our office building and we even have people taking all the papers out daily and we have reported these thefts to the proper departments. Thank you again for all your help and support.
