MISDEMEANOR THEFT CN 260217301

This guy stopped by Ulta to check out the perfume selection... and clearly found a scent he really liked. 🙌 After taking his time smelling the testers, he apparently decided two fragrances were too good to leave behind — so he took them with him without paying.

Now we need your help identifying this not-so-sweet-smelling suspect.

If you recognize him, submit an anonymous tip to Crime Stoppers. If your tip is the first one to identify him and helps solve this case, you will earn a cash reward. 💰

Sampling the testers is free... but five-finger discounts are not part of the Ulta rewards program. Please reference Midland PD case #260217301
